

# Hugo Hedgehog activity pack

## Hugo Hedgehog

Snuggle up for a nap with me in cosy corner or help me make special creations in arts and crafts with my spikes. When I'm not dozing I have fun making the best snowballs with my own body.

Hi, I'm Hugo the Hedgehog and I've put some fun activities together below to keep you entertained this week. You will need **help from your parents** to get you started as there are some tricky bits to do.

Activity One corn flour Gloop	Activity Two Build your own Puzzle	Activity Three Shoe Box House
This is lots of fun but it can get a little messy, so make sure you put an apron on!	Create your very own jigsaw puzzle, using a picture of your choice!	I love little cosy homes to spend time in when I visit peoples gardens.
What You'll Need	What You'll Need	What You'll Need
Corn flour Water Container	Cardboard Paper / Photo Pens / Pencils / Paints Glue Scissors	Shoe box Scissors Paint

# Activity Creation

## Activity One - Corn Flour Gloop

1. Grab your bowl.
2. Put in some corn flour, but not too much.
3. Start adding the water and mix together with your hands.
4. Keep adding more corn flour or water until your mixture is nice and gloopy.

TOP TIP: More corn flour will make your mixture thicker and more water will make it thinner.

---

## Activity Two - Build your own Puzzle

1. Create your own picture; it could be of your house, your family, a picture of me, Hugo, or print off your favourite picture.
  2. Stick your picture on a piece of cardboard.
  3. Cut it out to make your own jigsaw puzzle, however challenging you like!
  4. Jumble all the pieces together and then put your picture back together.
- 

## Activity Three - Create a Shoe Box house

1. You can make it for a made up animal or even one for me, Hugo.
  2. Think about what your animal would need in the house and what colour the house will be.
  3. Don't forget to add a door and some windows, you can even paint and decorate the shoe box inside and out to make it even more inviting!
- 

I would love to see some of the creations you make from this week's activities.

You can share them on our Esprit Ski Facebook page.  
Have fun!
